EXPERIENCE

Associate Software Engineer Nov 2024 – Jun 2025

Ray Business Technologies Pvt. Ltd. Hyderabad, India

- Developed and maintained backend components of enterprise web applications using ASP.NET Core MVC and Kentico 13 MVC Core, focusing on clean architecture and modular design.
- Created custom Kentico modules, widgets, and scheduled tasks to support dynamic content delivery, workflow automation, and CMS backend enhancements.
- Wrote optimized C, LINQ, and Entity Framework Core code for implementing complex business logic, data validation, and efficient interaction with SQL Server databases.
- Participated in backend performance tuning, debugging, and fixing production issues to ensure smooth user experiences and fast data access.

Dot Net Developer Oct 2023 – May 2024

Sky Vision It Solution Nagpur, India

- Developed and maintained comprehensive CRUD operations in web-based MVC applications, enhancing data manipulation and user interactions.
- Involved in real-time troubleshooting and efficiently resolved technical issues, ensuring minimal downtime and optimal application performance.
- Collaborated with cross-functional teams to integrate front-end and back-end components, delivering cohesive and efficient web applications.

PROJECTS

Sky Cable Billing Application | *.Net, Mvc, Sql, Entity Framework* Oct 2023 – May 2024

- Developed a user-friendly cable billing system with customer login/signup, monthly bill generation, and complaint management using ASP.NET MVC and Entity Framework.
- Implemented full CRUD operations, admin dashboard, and automated invoice generation with optimized SQL queries for efficient database performance.
- Collaborated on front-end and back-end integration, ensuring seamless data flow, form validation, and secure authentication workflows.

Jobby App | *HTML, CSS, Bootstrap,JavaScript, React.Js* May 2024 – Oct 2024

- Built clean, mobile-friendly UI using React.Js for better user experience across devices.
- Used React Router for smooth navigation between pages, including job listings, job details, and log-in.
- Implemented dynamic search and filtering with React state management for efficient data handling and rendering. Followed component-based architecture and clean code practices for maintainability and scalability.

TECHNICAL SKILLS AND INTERESTS

Programming Languages: C#, Java, JavaScript
Frameworks / CMS / Libraries: ASP.NET Core, ASP.NET MVC, .NET Entity Framework, Kentico 13 MVC Core, LINQ, React.js, jQuery, Bootstrap
Web Technologies: HTML5, CSS3, JavaScript, REST APIs
Databases: SQL Server, MySQL
Developer Tools: Visual Studio 2022, VS Code, Eclipse, SQL Server Management Studio, Git
Concepts / Methodologies: Object-Oriented Programming (OOP), Software Development Life Cycle (SDLC),Backend Development, CMS Integration
Soft Skills: Communication, Time Management, Team Collaboration, Critical Thinking
Languages Known: Marathi (Native), Hindi (Intermediate), English (Fluent)

EDUCATION

Rashtrasant Tukodji Maharaj Nagpur University Nagpur ,India

Master Of Computer Application Nov. 2022 - July 2024

Rashtrasant Tukodji Maharaj Nagpur University Nagpur ,India

Bachelor Of Computer Application Jun. 2019 - Jun 2022
